Personal Brand Statement

I am a data-driven sports media professional telling unique and impactful stories connecting people and their stories to the world of sports.

Work Experience

Trackman Operator and Baseball Analytics Intern | May 2026 - present

O'Fallon Hoots Baseball - O'Fallon, MO

Accurately tagged an average of 400 pitches per game in Trackman for Hoots home games and Play9 League games. Carefully monitored and delivered statistics and data from games to Hoots coaches and players' college teams. Effectively assisted the broadcasting and media relations interns with writing game previews and post-game write-ups.

Sports Coordinator | May 2026 - Present

City of Clayton - Clayton, MO

Efficiently coordinated adult and youth softball, football, baseball, basketball and other sports leagues. Collaborated with supervisors to improve facilities, umpires, officials, fan interactions and regulations. Meticulously set up fields for and managed adult and youth baseball, softball leagues and games.

Checkout Room Assistant | February 2026 - May 2026

Equipment Checkout Room - University of Nebraska-Lincoln College of Journalism and Mass Communications

Efficiently checked in and out cameras, microphones and other equipment for students. Accurately gave advice on what equipment to check out for specific projects and use cases. Effectively navigated long lines of students by myself or using teamwork with another assistant.

Assistant Editor | January 2026 - May 2026

UNLimited Sports - Nebraska News Service

Promptly and accurately edited 10 stories per deadline for other students for publication on Nebraska News Service. Photographed various sporting events for coverage, using proper techniques and AP style captions and cutlines. Successfully ran small group discussions on sports media and reporting topics.
